

Official WSI Imagination League Entry Form

We are so excited you are here! You have big ideas, and we can't wait to see how you will use them to help others and make the world a better place.

Let's Get Started!

- Feel free to draw pictures, write in pencil or pen, or type if preferred.
- There are four questions to answer.
- There's no right or wrong idea, just share your thinking and creativity!

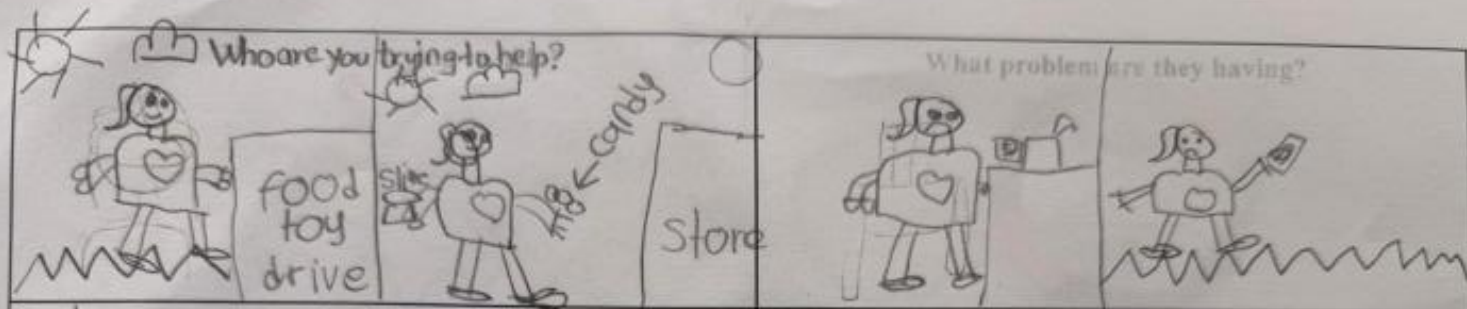

Innovation Name:

Rainbow Saver

Team Member Names:

Ania Saxena

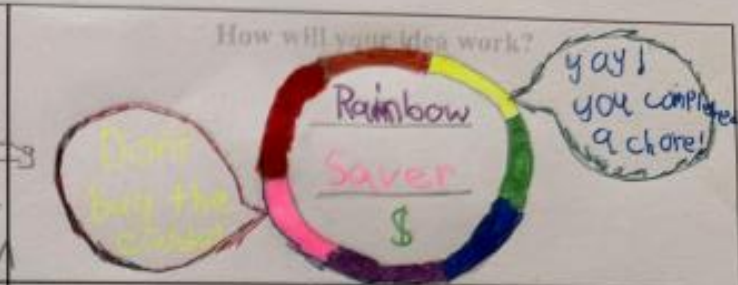

Please remember to have a teacher or guardian submit your entry by Friday, December 12, 2025!

Arianna is nine years old and loves helping others. She saw a toy and food drive and wanted to help kids in need. However every week she spends most of her money on candies and slime and forgets to save for the Toy and food drive.

Arianna does not know how to budget and plan her money. She feels very upset because she wants to make a difference but doesn't know how to save.

Arianna does not get reminders to make better choices.

Rainbow Saver is a smart bracelet that turns chores into learning goal habits and saving money. It helps kids learn how to budget, save and use for meaningful needs. Abi

Arianna's friend gives the smart bracelet to use for her goal.

When Arianna puts on the Rainbow Saver, She sees her goal. Each time she completes a chore, the bracelet lights up with a rainbow coin. When she

is tempted to buy a candy the band reminds her to save money for her goal. Arianna learns how to budget and save to reach her goal. Now, she is HAPPY!
